What's the plan for Muriel bowser? Just like she did the last rally, it's certain she'll announce some bs ching chong flu travel restrictions to stop people from getting in. GEOTUS was quite vocal on calling her out last time so I hope he's thought out how to counter her this time....

Literally this. We are done with the nonsense. If they try to keep us out, we rush the barricades. Too many of us to stop it, in minecraft.

ideally this protest should look very similar to the Richmond, Virginia protest at the state capitol, peaceful and lawful, only this time with 1000 times more patriots!

– [Minecraftplayer](#) 3 points 4 days ago +3 / -0

You mean "ineffective". You could have just said "I hope this protest is ineffective". Why do you think GEOTUS wants us there? Minecraft is plan B.

hello, Minecraftplayer, fren. please make no mistake, the United States Constitution is the supreme law of this land, and no city ordinance by any demoncrat mayor supersedes the right of the people under the 2nd Ammendment. Minecraft engagement is what pantifa chooses to do, they engage and try to stop peaceful and lawful assembly of patriots in our Nation's capitol, well then they choose Minecraft. but i respectfully disagree the Richmond protest was “ineffective”; the most effective deterrent to tyranny, and make no mistake, the demoncrats attempt to INSTALL joepedo extra-constitutionally, as a tyrant; they must see and remember what they face if they continue down this path. joepedo and his demoncrat hosts can still choose to STAND DOWN and CONCEDE, may they choose wisely, fren.

I drive a sedan, wouldn't it be smarter to park in one of the outlying metros like Reston or Rockville and ride the metro into the city or are we afraid of ambushes?

[parent](#) [permalink](#) [save](#) [report](#) [block](#) [reply](#)

▲ 13 ▼

– [Jaywlkn](#) 13 points 4 days ago +13 / -0

Lots of Trump crowds on the metros.

[parent](#) [permalink](#) [save](#) [report](#) [block](#) [reply](#).

▲ 4 ▼

= [SpaceAce](#) 4 points 4 days ago +4 / -0

They might shut down the metros. They are designed to be shut down in the event of civil disorder. Also, every metro has a live conductor who can just decide to shut it down. If he sees a bunch of armed trump supporters get on he can just shut it down by his own decision.

[parent](#) [permalink](#) [save](#) [report](#) [block](#) [reply](#).

▲ 3 ▼

= [Agent Orange](#) 3 points 4 days ago +3 / -0

What if they shut down the Metro system? Have to be prepared for that in a worst case scenario.

The good news is that it's a short walk from places like Crystal City, VA (staging area) to Constitution Ave (or the Washington Monument grounds).

To see how big the landslide is and so that way the lefties can't bitch about "Drump being a dictator". But yes if they sieze the voting machines and the military puts out a report of the mass voter fraud and trump is declared winner of the election that will work too but would be more controversial. For the integrity of the future elections remain it would be better to just re do the whole thing in person, no mail in ballots, , No illegals/dead voting, and paper only ballots livestreamed with armed poll watchers.

Absolutely. Post signs and banners all over in every state. Dollar store tarps and spray paint are a cheap way to produce large banners. Large posterboard can be purchased from the craftstore for about 5 dollars.

Also we can attend the Stop the Steal rallies at state capitols for the next three Saturdays and tell everyone there to get to DC on the 6th. A lot of patriots just need a reminder of how important this is.

We have to keep in mind that most patriots are not even aware of these events. I met patriots in DC (that live there), that had no idea that that the Million Maga March was going on.

Pro camping tip:...if you're living in the car for two days away from facilities; people everywhere; no privacy; no toilet.

Buy a brand new empty STEEL 15 gallon drum from the hardware. Cut the top three quarters off and keep the shallow piece. This is your emergency shitter can. Lock the car, cover windows. Do a dump in the can. Take can outside; place away from car. Pour a third of a 700ml bottle of kerosine (NOT petrol) over the turd. Light it up. All burns away...spotless clean!!

### ***Travel Information***

DCA (Regan Airport) is in Arlington, VA. DUL (Dulles) is about a 30-40 minute drive to DC proper BWI (Baltimore / Washington Airport) is in Glen Bernie MD, and is about an hours drive south. I grew up in the DC area and know it well. Live in Southern CA now, but still have a lot of family in the area. Arlington, Crystal City, Alexandria are all just outside of DC (on VA side) and would be good places to stay as well, outside the city.

Be advised, traveling with firearms varies from carrier to carrier. Each carrier has their own rules for what they want done listed on their websites. Long guns in hard cases (required for travel)will attract attention in hotel lobbies. Not advocating for or against, just something to consider.
